1st December 2016

Dear Valued Customer,

Upcoming price change

We're making some changes to our pricing and we wanted to let you know as early as possible.

From 1st April 2017 the price of all strength grades of concrete will increase by \$10 per cubic metre.

We understand that competitive prices are important to you. We will continue to strive to provide you with the best value solutions for your projects to help you achieve your goals.

Prices in contracts existing before the date of this letter will remain unaffected by this increase and any price escalation provision in those contracts will continue to apply.

Please see attached a copy of the 2017 Service Fee Schedule.

Need more information?

If you have any questions please contact your Account Manager directly, or call customer service on 07 3331 1555.

Yours sincerely,

Ryan Spencer
Excel Sales Manager

Hans Fuchs
